

George County School District

Wade Whitney, Jr.
Superintendent of Education

April 14, 2020

Dear George County School District Families,

In response to Governor Tate Reeves' executive order, the George County School District will remain closed for the rest of the 2019-2020 school year. The George County School District continues to make every effort to support and encourage our staff, parents, and students in the most effective way possible. We also continue to be dedicated to providing our students with the best alternative learning experiences during this time. With this being said, we will again be providing additional learning packets and online learning experiences for all students beginning the week of April 20. Additional information regarding what this looks like at your child's local school will be forthcoming.

We will also continue to serve free meals as previously advertised until further notice.

Online Student Registration will open for returning George County School District students on Wednesday, April 22, 2020. Online Student Registration instructions will be disseminated by your child's school the week of April 20 and will also be posted on the district website.

We will continue to post updates as information becomes available to us. We appreciate the support of our community during this time and strongly encourage each of you to take all of the necessary precautions for you and your family to remain safe and healthy.

Regards,

Wade Whitney, Jr.
